

## Vancouver Foundation - Neighbourhood Small Grants

The Neighbourhood Small Grants Program supports resident-led initiatives that enhance the local neighbourhood.

Grants are up to \$500 each, and are evaluated and administered at the community level. This map shows the 9 different neighbourhoods served by 15 community organizations in the Metro Vancouver area.

Hundreds of projects have been funded over the last ten years. Here are a few examples of wonderful projects that benefited from a Neighbourhood Small Grant:

\*A free model-making workshop for kids living in a low-income neighbourhood in Burnaby.

\*Local gatherings and block parties that help neighbours from diverse cultural backgrounds get to know one another.

\*The creation of community gardens where people share a plot of land and grow their own flowers and vegetables.
