

GENERATION GREEN

AWARDS

Attend a Generation Green Awards Information Session

Vancouver Foundation's Generation Green Awards will give 20 cash awards (up to \$12,500) for environmental projects in Vancouver by young people (individuals or groups) aged 6 to 24. The deadline to apply is March 4, 2011 and our Youth Philanthropy Council wants to help you with your application.

Join us for one of our information sessions and we will answer all your Generation Green questions, and help you determine if your project idea fits the award criteria. We'll take you through the funding guidelines and application form – giving you lots of guidance and tips along the way.

Everyone welcome – young people, teachers, parents, organizations and beyond.

Join us at one of two sessions:

Thursday, February 17th at the Roundhouse Community Centre

Time: 7:00pm to 8:30pm
