## ORGANIZATION AND PURPOSE

The Vancouver Foundation is established for the purpose of administering Capital Funds for perpetual support of health, welfare, cultural and educational purposes, primarily in the cities of Vancouver, New Westminster, Port Moody and North Vancouver and the municipalities of West Vancouver, Burnaby and Richmond. It is a public institution, incorporated under an Act of the British Columbia Legislature and its source of capital is solely from gifts and bequests from persons during their lifetime and under their Wills.

For the safe-keeping of all gifts and bequests the services of Trust Companies under Trust Agreements entered into by the Trust Companies and the Foundation are used. All investments and re-investments of Capital are made under the directions of the Board of the Foundation within the class of investments allowed under the Vancouver Foundation Act. Power to retain investments of any class, should the person making the gift or bequest so direct, is also given under the Act. The collective advice of the Trust Companies in the matter of investments is at all times available to the Foundation.

Sound and continuing administration of the Foundation is assured by the provisions of the Act of incorporation. The Act provides for the appointment at all times of nine Directors; two by virtue of holding public office; one by the Chief Justice of the Supreme Court of British Columbia; one by each of the Vancouver Board of Trade, the Pacific Sub-Section Canadian Bankers Association and the Vancouver Life Insurance Managers Bureau; and three elected in annual rotation by the other Members of the Board. Officer and Staff appointments are made annually by the Board.

Through the employment of the Vancouver Foundation any citizen can provide for continuity of support to public welfare generally or to those special purposes he or she wishes to support. Gifts and donations are deductible for Income Tax purposes and bequests by Will are exempt from Succession Duties.

## CHAIRMAN'S REPORT

The year 1953, in which the Vancouver Foundation completed its ninth year of Community Service, was one of continued growth. Disbursements for the various objects of the Foundation were greatly increased and gifts and bequests during the year brought the total of Capital Funds held by the Foundation to over Three Hundred and Ninety Thousand Dollars. The number of Donors continues to grow and reports indicate that an increasing number of men and women are drawing their Wills so as to make use of the services of the Vancouver Foundation.

During the year educational assistance was provided by the Funds established for that purpose. Payments of income were made towards the treatment of sufferers from Arthritic and Rheumatic diseases and for the physical rehabilitation of persons disabled by paralysis. General charitable and welfare objects benefited through income payments to the Community Chest and Council of Greater Vancouver.

A new Fund named "The Childrens Fund" was established and the income from this Fund will be expended annually for the treatment and care of sick and disabled children and for study and teaching concerning childhood diseases. The establishment of the Childrens Fund brings to nine the number of Funds now being administered. The capital of these Funds, through gifts and bequests, will continue to grow, assuring for the future a safe and increasing source of financial assistance for health, welfare, cultural and educational purposes in the Greater Vancouver area.

Once again I wish to acknowledge on behalf of the Board the co-operation of the Law firms, the Trust Companies, the Press and the men and women of Greater Vancouver who, by their efforts and their gifts, are furthering the services that the Vancouver Foundation renders to the Community.

W. J. VANDUSEN,  
*Chairman.*

## HOW TO MAKE USE OF VANCOUVER FOUNDATION

1. **BY LIFETIME GIFTS.** These can be made to the **GENERAL FUND** for distribution as directed in Vancouver Foundation Act, or to any of the **SPECIAL FUNDS** already established to assist various charitable and educational purposes, or to the establishment of another **SPECIAL FUND** or **FOUNDATION** for any of the objects of Vancouver Foundation.

When a gift is made to the General Fund, or to an already established Special Fund, a letter addressed to Vancouver Foundation should accompany the gift, specifying the Fund to which the gift is to be applied and the acknowledgment of Vancouver Foundation (which is a non-profit organization for charitable purposes within the meaning of the Income Tax Act) will complete the transaction. Any gift may be made anonymously.

If the donor wishes to establish a Special Fund or Foundation, either under his or her own name, or in any name to be associated perpetually with such Special Fund or Foundation, a Deed of Trust will be prepared which will declare the purposes to which the gift and the income to arise therefrom are to be devoted. The donor may specify therein the investments which may be made, the persons, if any, upon whose discretion he relies in distributing moneys from the fund and may make any special provisions which are within the wide charitable objects of Vancouver Foundation and do not conflict with its simple rules of administration.

2. **BY WILL.** The testator who wishes to make a testamentary gift to Vancouver Foundation will be advised by his or her solicitor that by Will he or she may make the same choice of a gift to Vancouver Foundation as might have been done by lifetime gift, namely, a devise or bequest to the General Fund, to any Special Fund, or the creation of a Fund or Foundation to be devoted to a particular or several charitable or educational objects and bearing such name as may be desired.

*Further information regarding the Vancouver Foundation, its operations and various Funds, will be gladly given by members of the Board of Directors, officers of the Trust Companies, the Honorary Solicitor or the Executive Secretary.*

*Additional copies of this Report may be had on application to the Executive Secretary.*
