

Donation Instructions

Thank you for considering a gift of securities to Vancouver Foundation.

Prior to initiating your gift of securities, please contact Vancouver Foundation's Donor Services Department at 604.688.2204 to determine if we can accept the intended securities.*

Please have your financial advisor complete the attached *Authorization and Direction Form* and send a **copy of the completed form to Vancouver Foundation** at securities@vancouverfoundation.ca or by fax at 604.688.4170.

Please note your financial advisor **MUST INITIATE** the transfer of securities. Because the transfer is a charitable donation, Vancouver Foundation's investment broker, BMO Nesbitt Burns, cannot initiate the transaction.

Valuation and Sale of Securities

Vancouver Foundation will issue a donation receipt to you for the value of the securities based on the last quoted trading price in normal trading hours on the date the securities are received into Vancouver Foundation's brokerage account. Please note that the market will, in all likelihood, have moved either up or down between the time you give the instructions to transfer and the time we receive the securities. Once the securities are received by Vancouver Foundation, they will be sold as soon as possible and the proceeds deposited into the identified fund.

This means, for example, that you could give instructions to transfer securities when they are worth \$11 each, receive a donation receipt for them when they are worth \$10 each, and have the proceeds of sale deposited to the fund at the Foundation when they are sold at \$9 each. We work to minimize, as much as possible, any differences in the value of securities during the transfer and sale period.

Timing

Please be aware that it is logistically very difficult, if not impossible, to transfer securities in the last weeks of December. As well, certain securities, such as mutual funds, can take several months or more to transfer, depending on the complexity of the gift. Avoid this risk by planning your gift well in advance.

Further Information

If you have any questions or require further information about making your gift, please contact our Donor Services department at 604.688.2204. Thank you again for your trust in Vancouver Foundation!

*Gifts of securities are subject to review by Vancouver Foundation prior to acceptance and sale.
