VANCOUVER FOUNDATION ACT

Chairman's Report

The Twenty-second Annual Report of Vancouver Foundation for the year ended December 31st, 1965 is submitted herewith.

I am pleased to report further growth in the assets under administration which now show a book value of \$9,639,049 for an increase of \$2,182,689 during the year. The market value of these investments at December 31st, 1965 was \$10,484,780.

In 1964 I reported that the Foundation had been advised of a substantial bequest under the Will of the late George W. Norgan. In the latter part of 1965 Vancouver Foundation received a part of this bequest in the amount of \$1,655,000. It is anticipated that further amounts will be received in 1966 as realization of the Estate proceeds under the administration of the Trustees.

Our Investment Committee gives regular review to the investment portfolio, having regard to changing circumstances in the investment markets. Because of present "tight money" conditions there has been a temporary reduction in the current market value of our Bond investments, but this condition has enabled new funds to be invested primarily in long term bonds to give higher yields. Common stock investments in dividend paying Companies represent approximately 30% of the total portfolio at December 31st, 1965. The return on our total investments for 1965 averaged 5.52% on acquisition value and 4.62% on market value.

For the second year in succession distribution of funds for the charitable objectives of the Foundation has exceeded \$500,000. The analysis of this distribution, which is appended, shows that Education and Research absorbs an increasing amount in both dollars and the percentage of total distribution. There has also been an increase in our grants for cultural objectives.

Administration expense at \$20,842 for the year, which is shared proportionately out of income of all the Funds under our administration, represents approximately 4% of the total amount disbursed in 1965.

Our Distribution Committee is availing itself of the services and experience of Dr. J. D. McGann as Professional Consultant, and Dr. Donald Paterson as Honorary Medical Consultant, in reviewing the many requests that are received for financial assistance toward deserving projects. A discretionary objective of the Committee is to provide "seed" money where possible for long term projects designed to alleviate some of the current social needs of the Community, which in turn may be supported by other public and private funds.

The future growth of Vancouver Foundation is assured through established testamentary gifts which will pass to us in due course from Estates under administration.

In addition, we are hopeful that further benefactors will recognize in the Vancouver Foundation a competent and economical vehicle through which they may provide lasting benefits for the advancement of this Community in many walks of life.

I again express thanks for the professional and volunteer help that has been provided to Vancouver Foundation during 1965 as in previous years.

February 28th, 1966

VANCOUVER FOUNDATION

How to make use of Vancouver Foundation

1. BY LIFETIME GIFTS. These can be made to the GENERAL FUND for distribution as directed in Vancouver Foundation Act, or to any of the SPECIAL FUNDS already established to assist various charitable and educational purposes, or to the establishment of another SPECIAL FUND or FOUNDATION for any of the objects of Vancouver Foundation.

When a gift is made to the General Fund, or to an already established Special Fund, a letter addressed to Vancouver Foundation should accompany the gift, specifying the Fund to which the gift is to be applied and the acknowledgment of Vancouver Foundation (which is a non-profit organization for charitable purposes within the meaning of the Income Tax Act) will complete the transaction. Any gift may be made anonymously.

If the donor wishes to establish a Special Fund or Foundation, either under his or her own name, or in any name to be associated perpetually with such Special Fund or Foundation, a Deed of Gift will be prepared which will declare the purposes to which the gift and the income to arise therefrom are to be devoted. The donor may specify therein the investments which may be made, the persons, if any, upon whose discretion he relies in distributing moneys from the Fund and may make any special provisions which are within the wide charitable objects of Vancouver Foundation and do not conflict with its simple rules of administration.

2. BY WILL. The testator who wishes to make a testamentary gift to Vancouver Foundation will be advised by his or her solicitor that by Will he or she may make the same choice of a gift to Vancouver Foundation as might have been done by lifetime gift, namely, a devise or bequest to the General Fund, to any Special Fund, or the creation of a Fund or Foundation to be devoted to a particular object or several charitable or educational objects and bearing such name as may be desired.
