## What is the Vancouver Foundation?

---

The Foundation is an "idea" . . . a concept of private giving to help our community now **and** forever. The Foundation is people . . . all the generous B.C. citizens who have provided the funds, and the men and women who carefully manage their investment and guide the distribution of the annual income . . . See pages 2 to 9.

What was the Foundation's financial position at year-end . . . and how little did it cost to manage funds totalling \$156,400,506? . . . See pages 3, 10 and 11.

Who contributed \$8,157,180 to the Vancouver Foundation in 1985? . . .  
. . . See pages 4 to 9.

How was \$12,240,567 distributed last year? . . . See pages 13 to 19.

How can **you** help in 1986? . . . See page 20.

## How did the Foundation get its start?

---

Ten far-sighted citizens in 1943 saw the need for a permanent endowment fund for charitable endeavors in this community. Acting on a bequest of \$1,000 they contributed equally to establish the initial capital of \$101,000 which has grown through continuing bequests, donations, and good management to today's total of more than \$156,000,000. The establishment and growth of these permanent funds within Vancouver Foundation have made it possible to distribute, over the years, more than \$92,000,000 in grants to thousands of charitable organizations. It is fitting that each year at this time we acknowledge those Founders:

## The Directors of the Vancouver Foundation report another year of progress in 1985

Vancouver Foundation is a Public Foundation comprising 319 funds with aggregated capital of \$156,400,506 at December 31, 1985. This compares with a total of \$132,287,591 in 290 funds at the end of 1984. The increase of \$24,112,914 was made up of \$15,402,751 in appreciation in market value of the assets and \$8,710,163 in new money added to the funds in 1985.

The income from these investments in 1985 was \$12,842,773 compared with \$11,898,245 in 1984 at a total administration cost of \$531,276 compared with \$490,732 in 1984.

The W. J. VanDusen Foundation is a Private Foundation under the direction and control of Directors in Calgary, Alberta whose assets at December 31, 1985 amounted to \$33,304,127.

In 1985 the Directors of Vancouver Foundation distributed out of the income of the two Foundations grants totalling \$13,604,514 to charitable organizations in British Columbia. This compared with a total in 1984 of \$13,118,427 which represents over 90% of the combined income of the two Foundations in those years.

Total grants and distributions made from its own funds by Vancouver Foundation in 1985 amounted to \$12,240,567. Details may be found on pages 13 through 19 of this report. (A summary of VanDusen Foundation grants may be found within that Foundation's financial statement on page 12.)

Vancouver Foundation, traditionally a strong supporter of the United Way of the Lower Mainland, made distributions to it in 1985 totalling \$1,080,000 from designated and discretionary funds. This sum represented over 10% of the amount raised by the United Way of the Lower Mainland in its 1985 annual appeal.

The need continues to aid students at the Universities and Colleges in British Columbia who wish to extend their skills and knowledge for career opportunities, particularly among those men and women who find themselves underqualified for gainful employment in new technologies. The two Foundations have provided a total of \$1,111,000 in 1985 of which \$250,000 went for direct aid and \$761,000 to augment endowment funds established by the Universities and Colleges on a "matching" basis for student aid purposes.

On a similar basis, the Foundations granted \$949,000 for direct medical research and endowments to teaching Hospitals and University Faculties in B.C.

The work of all denominational churches serving native people in Northern Canada

continues to receive support in the order of \$150,000 annually from The Madge Hogarth Foundation which we administer.

Other significant grants have been made to the Vancouver Botanical Gardens Association for the VanDusen Gardens; to the Vancouver Public Aquarium for the VanDusen Aquatic Sciences Centre and the new Mammal Pool; and to the Association of Neighbourhood Houses Endowment Fund. The Vancouver Art Gallery received from us a grant of \$150,000 for its Acquisitions Fund which was augmented by significant funds from the Gallery Society during the year.

Numerous social welfare agencies throughout the Province have received support in youth work and child welfare, as well as those serving the aged and handicapped persons. The details are listed in this Report.

During the year our Youth Advisory Committee suffered a loss through the death of Judge L. M. MacDonald of the Westminster County Courts who had served that Committee so faithfully and well over several years. At the end of the year, Mr. Robert J. Kayser retired from our Board after serving his term as the representative of the United Way of the Lower Mainland. We record our appreciation to each of these members for their respective contributions as volunteers and also acknowledge the capable and conscientious work which our Staff and Consultants continue to render.

On behalf of the  
Board of Directors,

G. Peter Kaye  
Chairman of the Board

### 1. Consolidated and other trust funds:

The Consolidated Trust Fund comprises those assets over which the Foundation exercises discretionary investment control within guidelines established by the Board of Directors. The Other Trust Funds comprise those assets which are administered in accordance with specific directions from the donors and/or which do not qualify under the British and Canadian Insurance Companies' Act as consolidated trust fund investments.

### 2. Accounting policies:

The following accounting policies used by Vancouver Foundation are stated here to assist in understanding the Foundation's financial statements.

Unrealized gains or losses arising as a result of the revaluation of investments to current market prices as well as any realized gains or losses arising from investment transactions are reflected as capital surplus. Investments within the Other Trust Funds are stated at cost and any realized gains or losses arising from investment transactions are included as part of contributed principal.

Interest income on bonds, mortgages and short-term notes is accrued as earned. Dividend income is recorded when received.

#### (d) Office equipment and leasehold improvements are recorded and expensed when paid.

#### (e) Administrative expenses and trust companies' fees are recorded when paid.

*"Your donation has enabled us to equip properly our housing project with more than just the basics — it has made it a pleasant place to live. You have made our project a success. Since the opening of the home four months ago not one client has had to return to hospital because of his or her condition worsening due to stress or insecurity. In fact, they are all doing very well — cheerful and happy they were chosen to live here."*

*"On behalf of this organization and on behalf of the people who have been able to move from Pearson Hospital to their new homes in the Creekview Cooperative we thank you for your untiring support of this project. Its success can be directly attributed to organizations such as the Vancouver Foundation which gave its assistance at a time when it was only a dream. We believe this home is the first of its kind in North America and that it will lead the way for more seriously disabled people to move into the community."*

# Here are the ways in which you can help the work of the Vancouver Foundation to provide much-needed services to your fellow citizens in B.C. not only in 1986 but also in all the years to come.

---

Vancouver Foundation is a non-profit corporation established by the Legislature of British Columbia, under the Vancouver Foundation Act 1950. It is registered as a Public Charitable Foundation under the Income Tax Act of Canada and is authorized to issue receipts for taxation purposes under the Act.

## 1. Lifetime Gifts

---

Under its rules of administration, Vancouver Foundation will carry out the wishes of a donor provided these are charitable in nature and conform with the provisions of these Statutes.

A letter or Deed of Gift will declare the purposes of a gift and the income to arise therefrom. This will be officially acknowledged by Vancouver Foundation. Any gift may be made anonymously.

Directions may be given to establish a SPECIAL FUND bearing the name of the donor or any other name to be associated perpetually with the gift and any subsequent additions thereto. To establish a SPECIAL FUND the initial gift must be in the minimum amount of \$10,000. A SPECIAL FUND may be a CLOSED FUND, limited to gifts from the original donor or relatives, or it may be an OPEN FUND to which others may contribute if so desired.

Gifts may be made in any amount for addition to an OPEN FUND already established by Vancouver Foundation for a wide variety of charitable objects and organizations.

Discretion may be given to the Directors of Vancouver Foundation to apply the gift, and the income to be derived therefrom, to any charitable object or organization, or the donor when establishing a SPECIAL FUND may state the person or persons upon whose discretion the Directors may rely in distributing monies from the Fund for charitable purposes.

Gifts given to be used in the sole discretion of the Directors of Vancouver Foundation will be added to the Foundation's COMMUNITY FUND, the income from which will be disbursed for charitable purposes as may be determined from time to time by the Directors of the Foundation.

If no SPECIAL FUND is to be established and no discretion is given to the Directors of Vancouver Foundation a gift will be added to the GENERAL FUND, the income from which has, by practice, been paid to The United Way of the Lower Mainland for health and welfare agencies.

## 2. Testamentary Gifts by Will

---

A Testator who wishes to make a gift to Vancouver Foundation will be advised by his or her solicitor that by Will the same choice of a gift to Vancouver Foundation may be made as might be done by lifetime gift. A testamentary gift may be for a specific amount or for the residue of an estate or any portion thereof.

## 3. Endowment Fund

---

Voluntary charitable organizations may, when authorized, establish Memorial or Endowment Funds (minimum \$10,000) in Vancouver Foundation for administration under terms which conform with their charitable objects. In these circumstances the annual income will be applied by Vancouver Foundation in accordance with the terms of such Funds.

## 4. Other Relevant Statutes

---

Because there are other public statutes which relate to charitable gifts whether made during a donor's life or by his or her Will, professional advice should be taken before a gift is made or the Will prepared containing such a gift. Vancouver Foundation, however, welcomes enquiries from potential donors and preliminary discussions regarding gifts or bequests can be arranged at any time.
